Dear Ron:

I would like to take this opportunity to share my sincere appreciation for the outstanding performances of "The Meeting" that the Ujima Theatre put on in Beaver Falls for the benefit of The Beaver County Minority Coalition.

I was genuinely impressed by the dedication and professionalism of your entire production company. Your good will was especially appreciated and aided in making our Black History Month celebration and fund raising efforts a truly memorable event.

Again, thank you for sharing your talents to allow the audience to see what might have been, and what is still possible in bringing people of all colors and differences closer together when the lines of communication are kept open.

My staff and I look forward to working with the Ujima Theatre Company to bring more of your quality productions back to the Beaver County for future events. My staff will continue to communicate with you so can explore future options and opportunities.

Please extend my heartfelt thanks to everyone involved in "The Meeting" and I wish you continued success in all that you do.

Sincerely yours,
