Dear Ron,

As plans are moving ahead for the Lincoln Theatre, we look forward to beginning the process of finalizing the calendar for the 2008-2009 season. Ujima will play a vital role in our season schedule and we are proud to include you as one of the founding resident arts groups for the Lincoln Theatre.

We hope that you will be able to join us on October 16 for the Lincoln Theatre construction kick-off. Feel free to invite your board and staff. The event will be attended by the mayor, city council and the Franklin County Commissioners. This will be a great opportunity for us to introduce our new resident arts groups to the media and we hope to see you there.

Best wishes.

Sincerely,
